I know that running a road race is a potentially hazardous activity. I should not enter and run unless I am medically able to do so and properly trained. I certify as a material condition to my being permitted to enter this race that I am physically fit and sufficiently trained for the completion of this event and that a licensed Medical Doctor has verified my physical condition.

In the event of an illness, injury or medical emergency arising during the event I hereby authorize and give my consent to the Event Director to secure from any accredited hospital, clinic and/ or physician any treatment deemed necessary for my immediate care. I agree that I will be fully responsible for payment of any and all medical services and treatment rendered to me including but not limited to medical transport, medications, treatment and hospitalization.

As it applies to my participation in this race, I agree to abide by the Center for Disease Control (CDC)'s recommendations for the prevention of the spread of COVID-19 and attest to having read the CDC's guidance at: https://www.cdc.gov. I also agree to abide by any COVID-19 distancing and other safety guidelines issued by the state, the community or by this race for my participation in this race.

Further, I grant permission to all the foregoing to use my name, voice and images of myself in any photographs, motion pictures, results, publications or any other print, videographic or electronic recording of this event for legitimate purposes.

I know that running a marathon is potentially a hazardous activity. I should not enter and run unless I am medically able and properly trained. I also know that police protection will not be provided, and there may be traffic on the course route of which I must watch for vehicles at intersections and on the roads. I also assume any and all risks associated with running these events including but not limited to falls, contact with other participants, the effects of weather including high heat and/or humidity, cold temperatures and wind chills, snow, blizzards and the condition of the roads and trails.

I further understand that these events are taking place without the assistance of any medical personnel. I acknowledge that I have purchased or will purchase medical evacuation insurance in the event of any medical emergency. I assume all responsibility and the possible consequences for whether or not I purchase said medical evacuation insurance. Further I waive any claims I might have against any of the aforementioned people, organizations, etc. as a result of there being no medical personnel. I assume all risk related to every aspect of this event from the time I leave my home to the time I return to my home after the conclusion of this event.

I acknowledge that Antarctica is in a remote area and that unique and/or novel diseases (e.g., avian flu, Covid-19) could prevent us from reaching Antarctica, and/or alter our itinerary, and/or impact where we're able to run, and/or impact if and/or where we're able to camp.

I further understand that the Chilean or United States Government could deny or revoke approval for the event, in part or in full, at any time and my only recourse is submitting a claim with my travel insurance, which I understand and acknowledge I am required to purchase prior to departing for this event. I further understand that these events are taking place in a remote area of the world, where the weather is unpredictable. I acknowledge that it is possible that I may not be able to complete my race on Antarctica for any reason (e.g., weather). I also acknowledge that if we are told that we must evacuate I will fully cooperate, understanding that if I have not already completed my race, that I will not be able to complete on Antarctica and that my sole/only recourse is submitting a claim with my travel insurance . Knowing these are possibilities, I acknowledge that I have purchased or will purchase travel insurance with trip cancellation and trip interruption coverage. Knowing these are possibilities, I further waive any and all legal rights I may have against Marathon Adventures, Kathy Loper Events, Amazing Running Tours and/or Aerovias D.A.P. and/or any other partners affiliated with this event, should we need to evacuate the island, and understand that my only financial recourse is through filing a claim with the travel insurance provider.

I recognize that if I choose to wear a portable listening device during the race that it may create a distraction which may increase my risk of injury. I further acknowledge that the race course is on dirt and rocky trails/roads that contain large pot holes, stones, puddles, small streams, snow, ice and a number of other possible hazards that may cause me injury.

Knowing these facts, and in consideration of your acceptance of my entry fee, I hereby for myself, my heirs, executors, administrators or anyone else who might claim on my behalf, covenant not to sue, and waive, release, and discharge Marathon Adventures, any person and their heirs and/or assigns associated with Marathon Adventures, and any organization associated with the race, and the local governments and police, volunteers, and any and all sponsors including their agents, employees, assigns or anyone acting on Marathon Adventures' behalf, from any and all claims or causes of action (known or unknown, foreseen or unforeseen) for death, personal injury or property damage of any kind or nature including those arising out of, their negligence in the course of, my participation in this foot race and all other events and activities associated with this race.

I agree that Marathon Adventures officials have the right to remove me from the race and related activities if they are of the opinion that it is in my best interest or the best interest of Marathon Adventures that I be removed.

I further grant permission to Marathon Adventures and/or agents authorized by them to use any photographs, videotapes, motion pictures, recordings, or any other record of this event for any purpose without limitation or compensation.

I also agree and understand that there is no set time limit. However, I understand that the plane may need to return and evacuate us from Antarctica if weather is severe. If an evacuation is necessary, I understand that I will be required to stop running, even if I have not completed my race and return immediately to the plane. I have read the foregoing and certify my agreement by signing below.
